IAIN DE JONG | SELECTED QUOTES

Personal reference • Chico homelessness discussion • October 2026

Housing is the solution

> “There is only one known cure to homelessness: housing.”

Source: OrgCode recommendations quoted in City of Gainesville report
https://pub-cityofgainesville.escribemeetings.com/filestream.ashx?DocumentId=87755

> “If you are a homeless service provider I know what you should be. You should be the champions of housing.”

Source: Your Organization’s Identity Crisis
https://www.orgcode.com/blog/your-organizations-identity-crisis

> “Ending homelessness is a matter of justice.”

Source: Justice, Not Charity
https://www.orgcode.com/blog/justice-not-charity

Shelters and low-barrier access

> “Ending homelessness is not anti-shelter. In fact, in many instances ending homelessness starts with shelter.”

Source: Any Approach to Ending Homelessness Needs Shelters to be Awesome
https://www.orgcode.com/blog/any-approach-to-ending-homelessness-needs-shelters-to-be-awesome

> “But what does that look like in practice?”

Usage note: Short excerpts from Iain De Jong's published work, plus one quotation attributed to OrgCode in a municipal report. The low-barrier question is dialogue reproduced by Iain in his article. The final entry is a published essay subtitle. Consult linked originals for context before public use. These quotations do not establish Iain's position on any specific Chico ordinance.
